Dear Brothers and Sisters,

James 1:27 tells us that, "Religion that God our Father accepts as pure and faultless is this: to look after orphans and widows in their distress and to keep oneself from being polluted by the world." We truly do consider ourselves one of the pivotal missions of the Word of God. And in doing so, we rely on Churches like yours to help us.

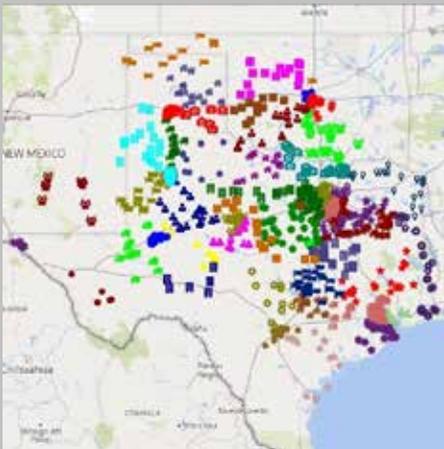

We know through experience that the children in our care come from some of the toughest situations life can throw at them. Often we do not have these children in our care for long. We have found that through safe housing, consistent food and intentional, loving choices by our staff, our children open their hearts to us. Once that happens, we can plant seeds of God's love and His Word in their hearts. These seeds are forever in their hearts for the Lord God to cultivate as only the father can. This past year we saw multiple baptisms on campus; souls who chose the Lord!

We are excited to return to attending worship in person. We have felt your love and compassion throughout this trying year. We have relied on churches like yours to help us fulfill our mission for 67 years! You have never let us down and we look forward to many more years of relationships with you!

Blessings,

  
Jimmy Moore

2021 Big Heart Route

*Did you know that our annual Big Heart campaign provides the Home with 100% of the necessary diapers, paper towels, toilet paper, underwear and socks? With the cancellation of the Big Heart campaign in 2020, we need Big Heart 2021 to be the best ever! Check your local church posters for your collection items and pickup days to see how you can help the children have all the supplies needed for a successful year.*
