OF OUR
GOAL RAISED

Dear Friends & Family of the Home,

Every year comes with its unexpected challenges, and this year one of our challenges has been the playground. As you can imagine, the playground is an essential part of our campus. It was not our plan to build a new one this year, but it has become necessary due to wear and tear over time, and new safety standards.

We are so grateful to everyone who has donated their time and money to help us reach right over half of our funding goal. However, summertime is approaching quickly and there is still a huge need for the last 42% of our goal.

Our goal is to start building as soon as possible. Our hope is the kiddos don't have long to wait to have their playground back!

Will you help us reach our goal?
